

Thieves Visit Housing Tracts

An electric generator-welder, powered by a gas engine, was stolen over the Fourth of July holiday from a new housing tract, at 180th St. and Arlington Ave., detectives have reported.

Detective Sgt. Ted Morris, who is investigating, said the equipment was valued at about \$900. It was owned by Walker Equipment Rentals.

A new housing tract at 169th St. and Arlington, also was the scene of a theft over the holiday. Bags of cement, building bricks and fireplace dampers were taken by the thieves, authorities added.

Value of the stolen goods was set at about \$127.
